- Binoculars
- I Spy with my little eye
- ying yang B&W
- Fiction
- puzzle?

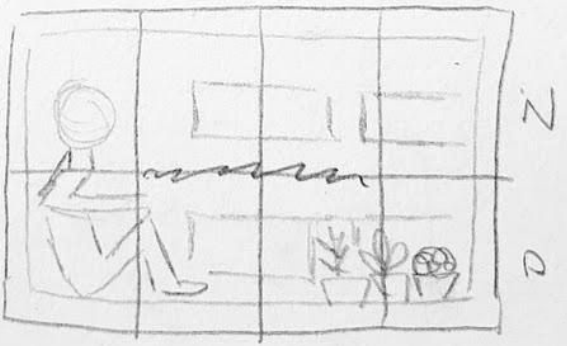

Style

Day + Night

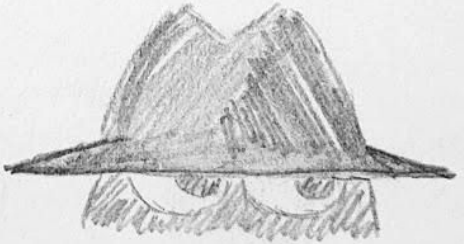

TEXT = Title : I Spy with my little eyes / My artesanal TV ?
natural

Living Room : Only have two chairs. Sat infront of the big window. Felt I was watching tv from a big screen. I can see everything that pass by.

whenever I go or stay time flies fast

every sunset or sunrise skies feels like tomorrow is gonna be an unexpected surprise.

As butterflies is a virtue to be alive no matter the obstacles, we rise to become a better person deep inside.
